Creating an environment for **GROWTH**

Some people just don't get it. Imagine a liberal union president who wants to raise taxes calling them self a "fiscal conservative". It isn't surprising they think raising your taxes, making government bigger, and creating more paperwork is good for the economy and your pocket book.

As a business owner and a common-sense Republican, Dr. Jeff Colyer knows that strong economic growth is the key to the success of Johnson County. If we want good schools, quality healthcare, and high paying jobs we must encourage our businesses to thrive.

As your Representative, Dr. Jeff Colyer will promote economic policies to grow

Johnson County business. Dr. Colyer will lead the fight for:

- ✓ **well-educated workforce**
- ✓ **less regulation**
- ✓ **low cost health insurance**
- ✓ **low taxes**

Dr. Jeff Colyer is the one candidate with real world experience as a businessman and policy-maker under President Ronald Reagan who emphasized economic growth.

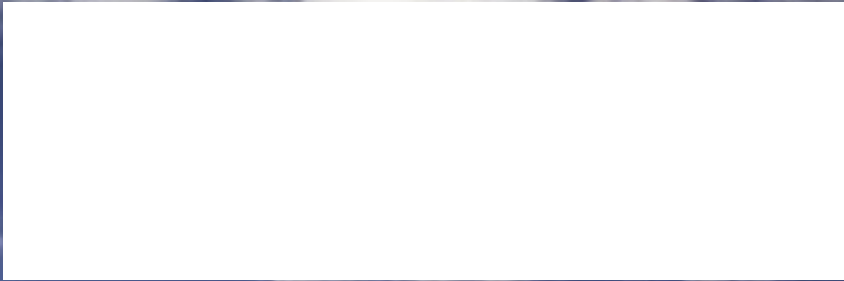

Dr. Jeff Colyer gets it.

Vote August 1st.
